Guest Speaker: Dr. John Mark Day (Director of Leadership & Campus Life) talked about his department and their role in student life at OSU. There are a wide range of training opportunities for student leaders – do not have to be the head of an organization to be a leader. There are 4 components to his department: (1) Campus Life – home to over 500 student organizations, also includes Non-Traditional Students, Volunteer Center, Arts and Culture and Entertainment (Allied Arts); (2) Fraternities/Sororities – 100 groups, 4 governing councils; (3) Center for Ethical Leadership – Camp Cowboy, President’s Leadership Council, training; (4) International Student/Scholar Office – China is #1 for foreign students followed by India. SGH is the legislative board for students. Staff can be involved with Campus Life through attending events, serving as organization advisors, help students feel connected and valued.

Holli Bonee and Christa Louthan (Human Resources) talked about Benefits Enrollment. Open Enrollment is November 1-17, Oct. 26, 27, Nov. 1,2,3 – info meetings; October 25, 10:30-1:00 Benefits Fair; No increase in cost for health plan, slight increase in vision and dental. Blue Edge - $5,400 deductible increase. Waiving Insurance – grandfather in current for FSA. Self-Insured – means paying to use their network, does not mean we can dictate. Change to the way we are doing enrollment – must have activated, updated OKey information. (see attachment)

Who is your hero and why? I have always admired Audrey Hepburn, who survived WWII in Holland, became a famous actress in the U.S., yet spent most of her life dedicated to her family and to helping impoverished children through UNICEF. She never forgot what it was to be hungry and poor, and she never let fame go to her head. She is a classic!

What is something about you that would surprise people? I own and ride a black Suzuki Burgman 400 scooter and love to go on road trips with my husband Troy.

What is one of your guilty pleasures? Dark chocolate, in any form!

What is something you would like to learn to do? I want to learn to write in calligraphy, which is quite a challenge since I’m left-handed.
