There was extensive discussion, no official action was taken.

Tsunami fund drive money will go to the Red Cross. If International students did not return from Christmas Holiday, Dr. Bird should be notified. It is possible they went home and were involved in the tragedy.

IT was pleased with information gathered from our meeting with them, i.e. Help Desk needs to be more user friendly, migration will be up to individual departments, there is still a problem with archiving, need better communication between faculty and staff.

Volunteers are needed to serve on Scholarship Committee.

We will no longer have a paper payroll advice. It will be on-line. Supervisors are encouraged to train employees on the use of computers in the kiosks.
