Mr. Shutt addressed the Higher Education Capitol Bond issue and OSU's Master Plan. Fourteen projects across the OSU campus are being planned; including renovation of South Murrary Hall, construction of a multimodal facility located at Hall of Fame and Monroe, possible construction of a new classroom/study building and construction of a new research facility on Monroe. During the Board of Regents meeting scheduled to take place at the end of July, discussion of the Master Plan will occur. The projected completion date for the Master Plan is December 2005.

Mr. Shutt announced President Schmidly's plans to meet with major newspapers in order to brief them on what has occurred since he became OSU's president and mentioned "The State's University" advertisement to appear in the July 19, 2005 issue of the Daily Oklahoman.

Construction on the north side of the stadium is on schedule, but temporary rest rooms and concession stands will be used during the 2005 football season.

Mr. Shutt announced a Communications Committee consisting of 25 members had been created. The committee has been meeting with other campuses to discuss the plan to integrate our communications.

Mr. Shutt addressed a question from the council regarding additional pay increases for staff in January 2006. State appropriations and the increase in tuition are limited. OSU’s “Restore, Reward and Grow” program for faculty will assist in recruiting and retaining faculty and producing research grants.

No Old Business.

New Business

Duane Hunt summarized the SAC recommendations made during the past year and reminded everyone that Article XII, Section A (5) of the SAC Bylaws requires the SAC Chair to prepare an annual report which sets out recommendations made to the Executive Group and its response. Duane requested the SAC Chair research and report the status of last year’s recommendations during the August SAC meeting. Motion was made, seconded and approved by a voice vote.

Article XII, Section A (2) of the SAC Bylaws which requires the SAC Chair to “conduct official correspondence relating to the business of the Council as authorized and directed by the Council.” Duane Hunt recommended the following be added to this duty:

“Resolutions approved by the Council will be forwarded to the President or other designated University Administrator within 15 days following Council approval and informs the Council at the next Council meeting that the action has been forwarded. A signed copy of the correspondence will be provided to the Secretary, the appropriate committee chair, and the Council representative that brought forth the recommendation.”

Duane Hunt also recommended adding the following duty to the Chair:

“(7) Ensures responses received on resolutions submitted to the President or other appropriate University are read in the minutes at the next Council meeting following receipt of such response.”

After much discussion and suggestions regarding wording, the official recommendations will be placed on next month’s agenda for possible action.

Jeremy Zweiacker presented an idea that could speed up the endowment of the SAC Staff Scholarship and Tuition Assistance Fund called the “1890 Club.” This would not replace the existing fundraising efforts, but would allow administration, colleges, departments and even individual faculty and staff members to make contributions to the fund. With various gift giving levels and special recognition, this could entice competition across campus. After much discussion, a motion was made for the Public Relations Committee to seek appropriate authorization, if required, before implementing. Motion was seconded and passed by a voice vote.
Sherril York raised concern of a possible university-wide dress code policy. During discussion, several SAC members mentioned dress code policy changes within their division and a potential university-wide dress code committee currently reviewing dress code policy. A motion was made, seconded and passed by a voice vote to send the following to Administration:

"Resolved that there is sufficient concern among Council members with the discussion about a University-wide dress code that it is imperative that representatives of the Policy, Benefits, and Budget committee be invited to future meetings regarding a dress code."

**Announcements**

Hank announced several University Committees are in need of representatives to fill vacant seats. If interested and/or know of any staff member interested, contact Hank.

There being no further business to come before the Council, motion was made, seconded and approved to adjourn.

Respectfully submitted,
