Who is your hero and why? My mom. As Abe Lincoln so aptly said, "All that I am, or ever hope to be, I owe to my angel mother."

What is something about you that would surprise people? I can lick my elbow.

What is something you would like to learn to do? I would love to learn more about photography and to play the piano.

Are you aware of the process for nominating someone for the Distinguished Service Award?

This needs to be an area of focus next year. We have a ton of staff deserving of this award. The more people are aware of the process the more those deserving staff members are likely to be recognized.

Do you remember seeing promotions or did you receive email communications concerning the Distinguished Service Awards this year?
Yes No

Another area of focus for next year. Let's think of ideas besides email communication that might make people aware. Our Communications team does a FANTASTIC job of keeping everyone informed, so I know there was plenty of opportunities for people to see the communication. As a council we need to get more engaged in our SAC facebook page and share and like what all is posted.

**Challenge**

After the meeting go to the Staff Advisory Council page and "Like" it if you have not done so
SHARE the information about the parking raffle that has been posted.
Also in relation to communication for DSA’s.

Please help us spread the word of activities going on throughout campus by sending Kaylie (or her designated FB committee member) information of events going on in your area of campus.

Staff Celebration Day is NEXT MONTH! **Everyone needs to sign up to help for something that day!**

Everyone needs to promote the parking raffle. This is how we fund scholarship! Educate employees on the new way to purchase tickets or sell the ones you have on hand!

I sent email communication about the SAC Awards that will be presented at our EOY banquet. This is new and is awards for SAC members by SAC members. This is a great way to recognize those members on council who you have notice go above and beyond. Every one of you could be nominated because you do a fantastic job, but please nominate those who have made an impact or left an impression.

3 Awards

**Outstanding Service Award**

Awarded to an individual who has demonstrated continuous, outstanding, exceptional, and meritorious service to Staff Advisory Council.

**Heritage Award**

Awarded to an individual that has been on the council more than one year and has excelled as a council member and through their endeavors, has inspired and mentored others.

**Rising Star Award**

Awarded to an individual that has been on the council less than one year and exemplifies excellence and dedication to serving the University and shows emerging leadership qualities.

Please send your nominations and a few sentences on why you feel they are deserving of the award to me by April 20th.

TIAA has paid for their table with a large amount that will go towards something fun your officers have up their sleeves for the Staff Celebration event. We cannot announce the details just yet, but just know something cool is happening! Encourage your peers to attend Staff Celebration day!
