OSU-Tulsa Updates – 03/11/20

1. The OSU-Tulsa/CHS Human Resources Department has added a 4-week Conversational Spanish Workshop to their training program. Several staff members from Center for Health Sciences and OSU-Tulsa attended the first session. We will learn about the Hispanic/Latino culture besides learning some of the language to help us give better customer service to our students and the community.

2. OSU-Tulsa Recruiters have been setting up sessions in coffee shops around Tulsa to meet with potential students. Dr. Bowler, MBA Director, had started the coffee shop idea and it was so successful, the recruiters decided to try the same. They post the time and place on social media.

3. Our Library has received national attention for their extensive Tulsa Race Massacre and Route 66 collections. One of their photos from the Race Massacre collection is travelling with the “Men of Change” Smithsonian Museum Exhibit, which will be coming to Gilcrease later in September.
Staff Advisory Council Meeting
OSU-OKC Vice Chair Report March 11, 2020

Staff Council Nominations — We are starting to prepare for nominations in the upcoming Council election. The committees are meeting and going over the bylaws to make sure that things are up to date and are understood.

River Cruise — Staff Council was looking for some fun ideas to bring staff together and we came up with a boat ride on the river of downtown OKC in the Boathouse District. We are planning that for June.

Summer Staff Olympics — Our wellness team is planning a fun day in June for the staff to participate in games like Jenga, checkers and cornhole. We were inspired by your own Wellness department for that idea.
Rules, Policy, and Procedures Committee Update
Staff Advisory Council, Wednesday, March 11, 2020
Kimberly Meints, kimberly.meints@okstate.edu

- **SAC Elections** — If you are concerned about a particular area of campus having access to computers or phones to vote in election, please e-mail Kimberly. She will follow up with admin in that area to see if we can set up a computer or add a sign to a communal computer terminal.
