SAC Employee Spotlight

GARY LAWSON
Photographer, University Marketing

Who is your hero and why?
My older brother is my hero because after my father passed away, he became my mentor. I have always tried to follow his advice and, best of all, he is the reason I attended OSU and became a Cowboy fan.

What is something about yourself that might surprise people?
I became a first-time father at the age of 51!

What is something you would like to learn?
I’d like to learn to play the guitar.
