SAC Employee Spotlight

MICHELLE CHITWOOD
Administrative Support Specialist

Who is your hero and why?
My aunt, Betty James. She worked in OSU Human Resources and Agriculture until she retired and is the reason I came here. She had the biggest heart and was a very caring, loving person. She was always there for me and I am here today thanks to her support.

What is something about you that would surprise people?
I like to write backward and I have competed in the world's largest amateur rodeo the past 20-plus years. I am also in charge of the 8-and-under competition at the rodeo.

What is something you would like to learn?
How to operate more woodworking machines for my craft fun.
