#### Events Committee: Tashia Cheves

- Staff Celebration Day is May 23<sup>rd</sup>
  - Remember to sign up for a slot (link was sent in email from Tashia)
  - All loose ends are being tied up
  - Looking forward to a successful event
  - I was recently made aware of a construction update and parking closure on the direct west side of BPS that will interfere with plans for vendor parking. However, I have worked diligently with Parking (thank you Stephen!) to find a feasible solution. Vendors will be given a loading zone right by the gate where they can unload their items and will be able to park along the entire North side of the "Cordell" construction site and are advised to utilize Wes Watkins for overflow parking. Staff attending the event can park in any lot on the South Side of BPS as student parking will become open to staff after this week. Concerns were brought up and we discussed looking into seeing if we can get a couple of gators donated for the event to help. Aaron and I will be working to try and make that happen. However, I am confident that with parking working with us to provide space for Joes to park and cook, as well as a vendor loading zone at the vendor gate, and with all of the help of the members of

council, we will be able fill in any gaps by providing help to our vendors during their loading and unloading times. It was also discussed that the Fundraising Committee (chair Michelle) is in need of a large white board to showcase raffle ticket numbers since we will not be announcing. Questions were asked about why, and Kristin let everyone know that it is because we will not have a sound system this year. Melanie emphasized that if anyone cannot help for the event, they must send Kristin a detailed email requesting an excused absence. It was stressed by the officers that this event is required unless excused. Kristin requested that those requests be sent to her or people be signed up no later than next week. Anyone not signed up or receiving an excused absence, will be emailed an assignment to fill any empty spots.

#### FACULTY COUNCIL MEETING

Tuesday, May 8, 2018

#### **Special Report:**

Chris Ormsbee of ITLE presented a proposal to purchase a new Learning Management System, which will be implemented full time in Summer 2019 when the contract for D2L expires. After a lengthy examination of three possible applications, it was decided to make the transition to Canvas. The application will be made available in limited use as early as November, and the app will be in full use by the Summer of 2019.

#### **President Hargis Remarks**

President Hargis gave a brief report, including information on this weekend's upcoming graduation ceremonies where a large number of students are expected to walk the stage. This year's ceremonies include the graduate college commencement on Friday evening, followed by four undergraduate ceremonies on Saturday.

Hargis also expressed concern about HB 1212, known as the "Constitutional Carry" gun bill. Hargis has joined OU President David Boren and others who have phoned Gov. Fallin, asking her to veto the bill. He urged those in attendance to call or email the Governor's office to encourage a veto of the bill.

# SAC EMPLOYEE SPOTLIGHT **TASHIA CHEVES** SUPPLEMENTAL INSTRUCTION COODINATOR

Who is your hero and why? I would have to say my baby sister, Cyndi. She is the strongest person I have ever known. While she is my baby sister, 11 years younger, I look up to her. She is full of grace and there is no other person I know who has compassion like she does. She loves people deeply, even when they may not deserve it.

What is something about you that would surprise people? I am in fact not a teenager, but am actually in my mid-thirties and have four children, one of which is almost 16. While I have grown to appreciate the compliment of people thinking I look much younger than I am, it definitely has struck up the most awkward conversations. Ha!

What is something you would like to learn to do? I would love to learn how to play golf well. I know the game to some extent because I have a son who is a pretty avid and competitive golfer. Bless his heart, he has tried to help me fix my swing. I would like to maybe take lessons.
