SAC Employee Spotlight

SHELBY SANDERS

*Assistive Technology Specialist - OK Able
Tech*

Who is your hero and why?

My grandmother, Bessie. She was always there for me growing up. She lived a pretty simple life, but was very generous. I miss her dearly every day!

What is something about you that would surprise people?

I can still do back handsprings on the trampoline!

What is something you would like to learn? I would love to learn to be crafty, but so far it hasn't happened.

Who is your hero and why?

My mom. As Abe Lincoln so aptly said, "All that I am or hope to be, I owe to my angel mother."

What is something about you that would surprise people?

I can lick my elbow.

What is something you would like to learn? I would love to learn more about photography and to play the piano.
